The 9 Best Vacation Spots in Mexico

by GENEVIEVE FISH

PLAYA DEL CARMEN

Playa del Carmen is known for its epic beaches. Get your diving certification before you go so you can enjoy the vibrant reefs the area has to offer. We suggest chartering a fishing boat and catching your own dinner. It doesn't get fresher than that!

When in Playa del Carmen, stay at [Hotel La Semilla](#). Owned by globetrotters Alexis Schärer and Angie Rodriguez, the hotel manages to meld a sense of Mexican heritage with international eclecticism in the most inviting of ways. We love how Schärer and Rodriguez stick to a timeless white palette and laid-back design sensibility. When you're at Hotel La Semilla, it feels more like you're staying at an elegant friend's house than a stuffy hotel.

The lush courtyard at Hotel La Semilla seems like the loveliest place to read a book.
